Re: Permit Fee Due for New Notice of Intention to Commence Small Mining Activities, Martinique Mining Co., Bartons Peak 1-2 and Butler Wash Project, S/017/045, Garfield County, Utah

Dear Mr. Rakow:

Thank you for forwarding the two Notices for Martinique Mining Company received April 7, 1999. Bartons Peak 1 & 2 signed by Kim Wilson is located in Section 35, T31S, R10E, BLM # UTU-75959; and the other notice signed by Sarah Wilson with several claim names, which for convenience the Division will call Butler Wash, is located in Sections 25 and 26, T31S, R10E; the BLM number for this is UTU-75960. As Martinique Mining is the operator on both notices and as they are within two miles, the Division will combine the two notices as one project under file number S/017/045.

The Division has evaluated the Notices under the small mining section of our Rules. The notices meet the information requirements of Rule R647- 3 of the 1988 Division of Oil, Gas and Mining Minerals Rules; however, a fee of \$100.00 is required in order for this permit to satisfy the Utah Mined Land Reclamation Act of 1975, Title 40-8-7(I) Utah Code Annotated. During the 1998 legislative session, the Utah Legislature authorized the collection of permit fees for new applications and existing permits in the Minerals Program to begin July 1, 1998.

A \$100.00 permit application fee is required before the Division can authorize commencement of the operation. We will provide the operator with written authorization to begin operations after we receive the application fee. We will send the operator a copy of this letter, along with a billing statement for the required fee.

Thank you for your cooperation. Please provide us with a copy of your final completeness /approval letter to the operator. In addition, if you receive additional information or amendments for this operation, please notify us so we can update our files. Please reference our designated file number S/017/045 when forwarding additional information on this project to us. Do not hesitate to call me at (801) 538- 5321 if you have any questions regarding this letter.

Sincerely,

Tom Munson  
Senior Reclamation Specialist
